Report of Principal and School Improvement Council

"The Washington Street Elementary School motto, "We Strive for Excellence" continues to provide the motivation that our school community uses to inspire all students to achieve at higher levels. As a Title I school, located in Hartsville, SC and a part of the Darlington County School system, Washington Street's commitment to the success of all students creates the foundation for the teaching and learning that occurs in our school.

We are very proud of our achievements as a school community. Receiving a grade of "A" on our ESEA/Federal Accountability Report in 2013, as well as an overall rating of "Good" on our South Carolina State Department of Education Report Card for the 2012-2013 school year, proves that we are a school that puts students and their academic achievement first. These achievements could not have been accomplished without the dedicated focus of our staff, quality professional development, and the continued implementation of best practices in instruction in all core subject areas.

Washington Street Elementary continues to encourage family and community involvement in our school by promoting our belief that children benefit most when all of the adults in their lives work together to ensure their academic and social achievement. From hosting fundraisers to planning family events, our PTO has become a vital part of our school community. A variety of family and student-centered events are held throughout the school year, as we strive to keep our stakeholders informed of our progress and enlist our entire school community in supporting our students. Our participation in the Comer School Development Program, as sponsored by Sonoco of Hartsville, has provided our entire school community with valuable information to use in developing pathways to success and strategies for problem-solving at our school.

Cooperation and commitment are the pillars that support all that we do for our students at Washington Street Elementary. We will continue to strive to promote a positive and productive learning environment that will place our students on the road to higher achievement and continued success.

Mrs. Letitia Wingate-McLeod, School Improvement Council Chairman

Ms. Valerie M. Sawyer, Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	30
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
X	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
